

RIDERS

MOA Chapter 63

SAN ANTONIO ASSOCIATION

On May 15th, over 33 BMW riders showed up at the Ruble Community Center to start anew the San Antonio BMW Riders Association. From out of the discussion, a purpose, a philosophy, and short term as well as some ambitious long term goals were set.

The BMW club is seen as an opportunity for BMW riders to get together for just some good old fashioned talk, to share technical knowledge and product information, sell and swap parts (and lies!) plus get together for rides. The philosophy of the club is to be as informal as possible while maintaining a well organized and enjoyable club. The riders present agreed that membership should be open to all who have an interest in BMW M/C's.

In order to get the club rolling, some people were nice (or stupid) enough to volunteer as officers. New officers will be elected at the beginning of the new year. Our officers now are:

President: Quint Lyles
Vice Pres: Carl Loos
Secretary: Ron Smith (membership list)
 Melissa Martinez (meeting notes)
Treasury: Lori Wiley
Newsletter: John Dunn
 Mike Wiley
 Rex Wright

Some short term goals that were set are to build a strong membership list, establish a newsletter with the first edition coming out July 1st, and develop a calendar of events.

The club also by unanimous vote elected Jesse Kelly as the club's first Lifetime Member. Congratulations Jesse!

First Club Event!!

June 2nd, Bandera Breakfast Run to the O.S.T., meet at Jim's Coffee Shop at Bandera and 410 at 8:00 a.m. or see you in Bandera at 9:00!

Look for the first newsletter July 1st. Until then ride safe!

If you have not joined, an application is included. If you have, complete the form and mark on it "paid".
